

Dear Campfield Families,

We are so excited school is starting in just a few short weeks. Attached are the student schedules for the first semester of virtual learning. Students at Campfield Early Learning Center will not begin live instruction on September 8th, the teachers will be holding individual parent conferences with families. Please refer to the gradual entrance document below for a detailed opening schedule. The teacher will reach out to you the week of August 31st to schedule your meeting.

Also, please note your teacher will go over in detail the virtual schedule during the Back to School conference.

Take care,

Ms. Workmeister

**BALTIMORE COUNTY PUBLIC SCHOOLS Office of Early Childhood
IGE/OGE 3, Prekindergarten/IGE/OGE 4, and Kindergarten Programs

Recommended Activities for Gradual Entrance Sessions:

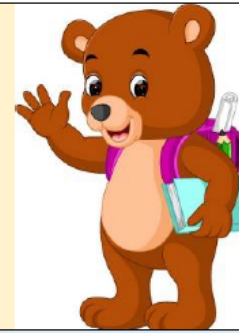

Administrators and teachers are encouraged to consider the needs of your students as you determine the specific structure of your gradual entrance days.

- Pre-kindergarten (Includes IGE and OGE Programs)
 - Conduct virtual or face-to-face individual conferences with caregivers and student to introduce them to staff and to allow caregivers to share information about their child.
 - Create and share daily schedule for distance learning with students and parents.
 - Share information about the PreK Gradual Entrance Activity Packet, an activity packet to enhance school readiness prior to beginning live instruction.
 - Administer selected items from the PreK Oral Language assessment and Math screening tools.
 - Assist parents and students with creating a BCPS One Account and provide guidance on how to access instructional resources through BCPS One.
 - Take student-parent photos to create your School Family board. Take student photos to label items or create student resources for learning.
 - Share ideas about how families can connect with one another.

- Kindergarten
 - Conduct virtual or face-to-face individual conferences with caregivers and student to introduce them to staff and to allow caregivers to share information about their child.
 - Create and share daily schedule for distance learning with students and parents.
 - Share information about the Kindergarten Gradual Entrance Activity Packet, an activity packet to enhance school readiness prior to beginning live instruction.
 - Administer required DIBELS subtests (Virtual PD will be offered to staff).
 - Administer selected items from the Kindergarten Math Assessment.
 - Assist parents and students with creating a BCPS One Account and provide guidance on how to access instructional resources through BCPS One.
 - Take student-parent photos to create your School Family board. Take student photos to label items or create student resources for learning.
